JAMESTOWN, CHAUTAUQUA AND LAKE ERIE.

(Date of charter, September 25, 1900.)

For history of organization, etc., see Report of 1901.

This company owns Jamestown and Chautauqua Railway Company.

The status of the Jamestown, Chautauqua and Lake Erie Railway Company at date of this report is as follows: It started to build its road in 1900. There are only ten miles of road in Chautauqua county, running from Mayville, on Lake Chautauqua, to Westfield, on Lake Erie. The only real property which it has is its right of way. The construction was financed in New York, and last spring, the contractor being way behind in his work and unwilling to remedy the delays, was put off the job, and the company finished the road itself. It was not open for business until about the end of July, 1902. In the meantime the contractor filed a mechanic's lien and is suing the company for about \$100,000, which he claims to be due him under his contract.

Under the circumstances it is impossible to get up a trial balance.
